

Hello Wings families,

I know that many of you are eagerly awaiting the November 1 registration date. We have new information that we would like to share with you, relating to that.

We have heard back from Cameron Recreation Centre regarding our request to continue with our regular Tuesday/Thursday time slot. The manager of Cameron has let us know that they are only able to offer us one day per week right now, and that day will be Saturday. Covid capacity restrictions on the facility has reduced the opportunities for the public to access the facility resources. To help fulfill their mandate to provide recreation space to the public over the winter, they have reduced our access from two nights to one per week. The facility will be closed to the public on Saturday nights, and Wings will be the only group with access.

As a result of this new schedule, the Wings board and coaches now need to rearrange our season programming. This re-planning effort will require us to change the registration date to **Sunday, November 22nd**. Registration will stay open until Sunday, December 6th. We will begin classes in January, as originally planned, but the new start date will be Saturday, January 23, 2021.

We are still waiting for Cameron to finalize our time slot. Right now, we expecting to start sometime between 5:00 and 6:00 pm. We will update you as soon as we receive confirmation.

New Important Dates

November 22, 2020 - Registration opens

December 6, 2020 - Registration closes

January 23, 2021 - Saturday classes start!!

March 20, 2021 - Closed for Spring Break

March 27, 2021 - Closed for Spring Break

April 3, 2021 - Closed for Easter

April 10, 2021 - Saturday classes resume

May 22, 2021 - Closed for Victoria Day long weekend

*June 2021 - Last class for this season - *We are still finalizing this date

Once new programming and the new Safety Plan have been approved by the Board, I will forward that information to you. It will also be shared on our website.

There are positives to this new time slot! With the facility being closed to the public, Wings will have access to the other half of the gym, which will make it much easier for parents and athletes to come and go. We also have the potential to offer more classes because of the extra space.

I know this information will come as a surprise to many of you, and it could take time to adjust to this change. However, we are confident that we will all be able to work together to make this a positive experience!

As always, if you have any questions or concerns, please let us know.
