

## Hello Wings families!

We hope that you have had a good summer and your kids are enjoying being back at school with their friends! We are quite excited that we will be seeing your smiling faces again, soon. Our coaches have been working very hard planning what this new season will look like for Wings and our gymnasts. Our re-opening has been carefully planned in collaboration with local health authorities, the City of Burnaby, as well as specific requirements from Gym BC, and Return to Sport, which can be found [here](#).

## Registration

Registration, for current families only, will begin on Sunday, November 1, 2020 and will be open until Sunday, November 15, 2020. Registration will be available on a first-come, first-served basis. If the class that you would like to register your child for is full, please put them on the waitlist, as class numbers may change. Due to limited class size, families will only be able to register for **either** Tuesday or Thursday, **not both**. We regret that we may not be able to accommodate all families that wish to return. Please know that your spot will be held for you for the September 2021 season.

If you have a credit balance in your Active account, you will have the opportunity to use that when you register for the upcoming class. If you have a balance owing on your account, we ask that you contact us to arrange a repayment plan so that you may continue with the registration process.

I will send out an email a couple of days before November 1st with a registration link, that will go live on November 1st. Or you may click on the "Register Now" button on our website, [wingsgymnastics.com](http://wingsgymnastics.com).

## Programming

Our programming will look a little bit different this year, as we have very strict class sizes, distancing, and sanitizing rules that need to be followed. We will be offering programming for kids ages 6 and up, as recommended by Gymnastics BC. Groups will have staggered start times and groups will be smaller than in previous years. Facility capacity limits have been calculated based on square footage, plus additional requirements to allow for equipment and walking.

## **Precautions**

Some precautions that we have put in place are:

- One way entry and exit
- Sanitizing hands upon arrival and departure, and as often as relevant based on training activities
- Additional hand sanitizing stations throughout the facility
- Waypoint markers on the ground in the gym to ensure proper spacing when moving from one area to another
- Equipment will be cleaned between uses
- Routine daily screening

Please note: Claims related to the transmission of COVID-19 will not be covered by GBC's insurance policies.

Our Covid-19 Safety Plan will be available on our website on October 30th.

## **Additional Information**

Please feel free to contact us at [wingsgymnastics@gmail.com](mailto:wingsgymnastics@gmail.com), if you have questions regarding any reopening protocols or the upcoming season. I will be preparing a FAQ's email in which we can address questions or concerns that you may have.

If you frequent social media, please follow us on Facebook, Wings Gymnastics Society, or Instagram, wingsgymnastics, as we will be sharing updates there. We will also be sharing updates on our website, wingsgymnastics.com.

If you made it this far in the email, *thank-you!* We appreciate your patience.

All the best, and we are looking forward to seeing you soon!
